"What a tremendously delightful and wonderful evening you provided us with. My wife and I haven't enjoyed a show so much in a long time....And you, what an incredible performer and entertainer you are! And what a pleasure to meet your husband, David. How is it possible for one musician to sound like a 40-piece orchestra? Truly amazing! You both absolutely blew us away, and I know I speak for every member of the audience that night. The very best to one of the best!"
